

Mucedorus - William Shakespeare	<p style="text-align: center;">Mucedorus William Shakespeare</p> <p>The 1610 edition says it is by Shakespeare, and the play was in a volume of Shakespeare in the library of Charles the Second. But, well, likely not actually a Shakespeare.... Perhaps by Robert Green (1558 - 1592) This play is mentioned as being popular in the 1611 Beaumont and Fletcher play 'The Knight of the Burning Pestle';. In fact, Mucedorus 'was enormously successful. This absurd play, with the merits and defects of a nursery tale, was acted by strolling companies everywhere till long after the Commonwealth, and passed through seventeen editions between 1598 and 1700, a record unequaled in the history of the pre-Restoration drama.'</p> <p>- Summary by ToddHW and Tucker Brooke</p> <p>Read by Volunteer Readers. 5 Tracks.
